Marka: **Virone** | Symbol: **FS-16** | Ean: **5908254826719**

VIRONE

PRODUCT DESCRIPTION

Discreet and functional VIRONE triple furniture socket allows us to simultaneously connect 3 devices 230V, with a total power of up to 3680W. Ergonomic installation in a single 80mm-diameter hole in the table top, desk or furniture wall ensures space-saving and elegant appearance. The one-click ejection system saves a lot of space and time normally spent on coupling cables, connecting and disconnecting splitters and other actions to keep the wiring in order. It is equipped with its own 1.8m power cable. It ends with a plug, which allows you to safely, quickly and easily connect the pop-up sockets with the power source. Made of stainless steel (INOX)

and plastic, it is resistant to corrosion, scratches and other mechanical damage. Available type of sockets: French (E-type) or Schuko (F-type). Cable length: 1.8m.

TECHNICAL DATA

General information:

Model:	Built-in
Standard of the socket:	french (type E)
Max. load:	3680 W
Number of socket outlets French standard (Type E):	3
Colour:	Inox
Material:	plastic + stainless steel INOX
Frequency:	50 Hz
Degree of protection (IP):	IP20
Diameter:	106 mm
Hole diameter:	82 mm
Built-in depth:	284 mm
Wire length:	1.8 m
Length:	284 mm
