

RRR

Rubber Roller Restorer

RRR has been specially developed to restore texture to rubber grip rollers by removing hardened deposits. It has been designed for use on printers, fax machines and photocopiers.

- Restores texture to rubber rollers in office equipment
- Prolongs the lifetime of rubber rollers, preventing costly replacement
- Supplied in a pump spray for ease of application
- Dissolves ink, oil, grease and will remove general office dirt; leaves no residue

Typical Properties

Form	Colourless liquid
Density (g/ml)	0.79
Boiling Point (°C)	> 173
Flash Point (°C)	> 60

<u>Description</u>	<u>Packaging</u>	<u>Order Code</u>	<u>Shelf Life</u>
Rubber Roller Restorer	250ml Pump spray	RRR250	48 Months

Directions for Use

Can be applied by either spraying the product directly onto the rubber rollers and wiping off with a cloth, or by spraying the restorer onto a cloth and wiping the roller with the dampened cloth. May affect sensitive plastics, therefore should be kept away from plastics and wiped off if accidentally spilt.
