WE CREATE SOLUTIONS THAT COUNT EVERY DAY

Reliability, Speed, Compatibility - Ideal for Individuals and Small Businesses

Discover a new quality of data storage with our aluminium enclosure for 2.5" SATA3 HDD SSDs, which combines reliability, speed and wide compatibility. An ideal solution for those looking for mobile and easy-to-use data storage options, it is an interesting alternative, not only for those with documents or private files on disk, but also for small businesses wishing to archive their computer data without investing in other costly solutions.

IT'S NOT JUST ABOUT 5GB/S SPEED, IT'S ALSO ABOUT CONVENIENCE - ONE DEVICE, ONE USB CABLE, 2TB CAPACITY

High-speed transfer of up to 5 GB/s, Supports drives 2230-2280 up to 2TB, UASP, OTG, USB 3.0 - It's All In One!

>With a data transfer rate of 5 GB/s, you can access your files in no time. Whether you're working or enjoying multimedia, this enclosure enables the smooth transfer of information, enhancing the performance of your system.

- Suitable for M.2 SSD SATA NGFF sizes: 2230, 2242, 2260, 2280,
- **UASP support**, allows multiple commands to be executed at the same time,
- **OTG support**, works with laptops and smartphones,
- **USB 3.0 interface** supports data transfer rates of up to 5 Gbps,
- a single M.2 drive supports **up to 2TB**,
- useful when there is no other way to connect an SSD,
- USB cable included,
- no need to install drivers, simply plug into a USB port and use thanks to the simplicity of the Plug&Play function.

MAXIMUM MOBILITY IN AN ELEGANT ALUMINIUM HOUSING

Compact Design and Robust Lightweight Aluminium Construction

The sleek and handy enclosure for your drive M.2 SSD is a stylish protection for your valuable data. The case is made of high-quality aluminium, which further helps to dissipate heat. The compact size of the enclosure will allow you to take it with you to work or wine places, the pocket fits easily into a backpack. The durable enclosure provides effective protection against crushing and prevents any damage to the drive.

CONVENIENT AND UNIVERSAL SOLUTION FOR SSD AND HDD DISK

Plug & play - no drivers to install, just plug and play!

No special tools are needed to mount the SSD and HDD, simply slide out the case, insert the drive accordingly and slide it back into the case and screw it on. Once you have connected the bay to the device of your choice, you are good to go, the device is ready to go. Plug&Play function - no drivers to install, just plug and play!
