

Qoltec 5G LTE Omnidirectional DUAL | 8dBi | Indoor

Product code: 57033

The 5G antenna is a product designed to meet your expectations regarding the quality and speed of data transmission. It ensures operation to the highest standard thanks to the precision of workmanship and the use of the best quality components for its production.

Strengthen your reach

Wireless Internet has revolutionized the 21st-century market. We use it on our laptops or TV sets. We watch movies, listen to music, communicate with family.

Actually, the internet gives us unlimited possibilities. Only a few years ago we were struggling with low data transfer or watching movies that keep buffering. **Technology has moved forward**, but does this mean that these situations do not happen? We still struggle with interference preventing us from comfortable internet use. We have the perfect solution. **5G antenna from Qoltec** will clearly improve the quality of data transmission to your devices. Thanks to the magnetic base and high-class tightness, you can attach the antenna to the roof of your vehicle and take advantage of the better range also while traveling.

A reliable solution in any situation

Qoltec's 5G antenna receives the innovative **5G technology - 3300 - 3800 MHz wavelengths** provide a long range and stable network connection regardless of the number of devices and users accessing the connection at the time. It was created to improve the quality of the network at home or in the office and in any other closed room with Internet access.

Moreover, our device offers:

- **SMA connector** - allows you to connect to devices using coaxial cables,
- **modern design** - thanks to the use of high-class materials and attention to detail,

Confidence confirmed by a warranty

You value the quality of purchased equipment so **our projects and solutions are focused on meeting your expectations**. Antenna 5G is covered by **24 months warranty**.

Technical data

Producer	Qoltec
Frequency	3300 - 3800 MHz
Antenna gain	8 dBi
Maximum power	50 W
Polarization	Vertical
VSWR	3.0
Impedance	50
Maximum height	510 mm
Type antenna	Indoor
Antenna connector	SMA male
Cable length	3 m RG58
Working temperature	-20 ~ +85
IP rating	IP 65
Colour	Black
Material	ABS
Additional information	Can be mounted on the car roof
Package contents	5G antenna
Package depth / length	15 mm
Package width	200 mm
Package height	250 mm
Net weight	0,1630 kg
Gross weight	0,1730 kg
Warranty	24 months
EAN code	5901878570334
