WARRANTY CONDITIONS

1. Transfer Multisort Elektronik warrants the product to be free from any defects for a period of 24 months from the date of purchase.
2. In order to avoid damage to the equipment it is recommended for the user to read the user's manual in detail and not exceed the applicable specifications or rating.
3. Any defects precluding the use of the equipment according to its application revealed at any time during the guarantee period shall be removed free of charge within no more than 30 working days from return of the equipment to TME. In justified cases (e.g: the need to import spare parts) the defect shall be removed at a later date after prior notification of the purchaser.
4. This guarantee shall not apply to other damages than caused by the equipment itself or damages caused by use in an improper manner or inconsistent with the user's manual.
5. The purchaser is obliged to deliver the equipment to TME at their own expense.
6. This guarantee shall not apply if any of the following occur: damage to the seal, mechanical damage, unauthorized disassembly, repair or modification.
7. The repair method shall be determined by the guarantor.
8. The applicable guarantee period shall be prolonged by the time of guarantee repair accordingly.
9. This guarantee shall not apply to parts made of glass, batteries, cables, housings and any items of a limited natural life (e.g: carbon brushes). Heating elements shall only be replaced one time under the guarantee.
