PC AND PS3 COMPATIBILITY

■ TECHNICAL SPECIFICATION

Connector: USB Type C
 Number of triggers: 2
 Number of analogues: 2
 Number of buttons: 15
 Dimensions: 154 x 111 x 59 mm
 Weight: 190 g
 Communication: Wireless, 2,4 GHz
 The frequency range of the radio device: 2405 - 2475 MHz
 The maximum power of the radio frequency emitted in the frequency range in which the radio device operates: 0 dBm
 Operation range: 8 - 10 m
 Battery capacity: 600 mAh
 Working time on battery: 8 - 10 h
 Charging time: 2 h
 Supported platforms: PC, Playstation 3
 System requirements: Windows®XP / Vista / 7 / 8 / 10
